

WI ARES/RACES Winlink Net

This net meets every Tuesday during the 24-hour window of 0000-2400 CST.

Check in by sending a Winlink message containing call, first name, city and county to wb9rqr@winlink.org AND kb9mmc@winlink.org. WB9RQR is our DNCS (Digital Net Control Station). KB9MMC is Backup DNCS.

Checking in permits stations to do a weekly check of their sending and receiving capabilities.

AND:

A complete list of check ins are sent to all on the list each Wednesday.

Typically, about 40 check ins are received each week.

A reminder of the net is sent to all on the list on Monday.

Short exercises are sent about once a month with the reminder.

Info bulletins or queries are sent anytime.

All "Winlinkers" are welcome – no need to be a member of ARES/RACES.
