NEW ENGLAND AMATEUR RADIO

Promoting education and growth of amateur radio as a STEM activity (science, technology, engineering, and math), as a communications hobby, and as support for emergency preparedness and public service.

Established 2014

NEW ENGLAND AMATEUR RADIO

What is NEAR?

New England Amateur Radio Inc. (NEAR) is a non-profit corporation operated exclusively for educational and charitable purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code.

New England Amateur Radio Incorporated's purpose is to promote education and growth of amateur radio as a STEM activity (science, technology, engineering, and math), as a communications hobby, and as support for emergency preparedness and public service.

To maximize its impact on current efforts, NEAR seeks to collaborate with other non-profit organizations which are under the 501(c)(3) section of the internal revenue code and are operated exclusively for educational and charitable purposes.

What can NEAR do?

Our skilled and experienced staff can help your school, scout group, MRC/CERT team, or other educational and public service groups with:

- A team of volunteer examiners to provide exam sessions.
- Grants for youth to cover their fees at exam sessions.
- Advisors to help you start your own amateur radio club at your organization.
- Educators to give classes for your technician, general, and amateur extra level candidates.
- Experienced advice on equipment purchases to maximize your investment in amateur radio.
- Equipment donation and lending program.
- Merit and need based scholarships for education.
- Facilitate the collaboration of New England area clubs toward a common goal of education and promotion of amateur radio.
- Introducing more youth to amateur radio as a hobby and STEM science.

Become a NEAR member!

If you wish to support our mission, help us by joining our general membership. Our suggested membership level is \$25 per year. Any donation beyond your membership fee may be tax deductible.

As a member you will receive invitations to relevant events, a periodic newsletter about our activities, and other information.

Become a NEAR affiliate!

Affiliates may be individuals, businesses, and other organizations that seek to support our mission. They may be given endorsement, recognition, and media coverage at fundraising activities, clinics, other events or at the corporation website.

Donate your under utilized equipment!

We can use your equipment donations to help new clubs at schools and other organizations get started in amateur radio. Additionally NEAR is seeking equipment for maintaining various amateur radio equipment including repeater networks, local stations, etc. Your donations may be tax deductible.
