

**ARRL *ad hoc* HF Band Planning Committee  
Report to the Board – July 2017**

---

**HF Band Planning Committee members:** Steve Ford WB8IMY (Staff Liaison), Brian Mileschosky N5ZGT (Chairman)

---

The HF Band Planning Committee has received no formal tasking January. Periodic ITU related communications, few related to spectrum, have been relayed to the committee by Carla Pereira, however all have been merely informational and none have required attention.

We stand ready to take on band planning matters as needed.

Respectfully submitted,

*Brian Mileschosky N5ZGT  
Chairman, ARRL HF Band Planning Committee*
