

**Note about ARRL Bulletin Manager and  
ARRL Official Bulletin Station Appointments  
(SUNSET)**

At the July 2003 ARRL Board Meeting, the Board of Directors accepted the recommendation of the Volunteer Resources Committee to cease issuing new Bulletin Managers and Official Bulletin Station appointments. Current BM and OBS appointments may continue at the discretion of the Section Manager.

Section Managers who desire to appoint someone to a Bulletin Manager-like position can appoint them as an Assistant Section Manager with a specific responsibility.
