To: Prospective General, Advanced or Extra Class ARRL Volunteer Examiners

Thank you for your interest in becoming an ARRL Volunteer Examiner (VE). Once you become an ARRL VEC accredited VE, you will join the ranks of more than 30,000 VEs who are able to administer examinations coordinated by our VEC.

To get you started, please view, or download our ARRL VEC Volunteer Examiner Manual located in Adobe PDF format on the ARRL Web at <http://www.arrl.org/ve-manual>. The information contained in “Chapter 2 – Becoming a Volunteer Examiner” of the VE manual explains the VE accreditation process.

Complete the enclosed VE Application Form and Open-Book Review. The VE Application Form and Open-Book Review is also located in the manual. If you have already participated in another VEC program, and if you are current and active in that program, you are not required to take the Open Book Review. Simply fill out the VE Application and include a photocopy of your current VE accreditation from the other VEC program.

Once you have read the on-line manual and have completed the required application document(s), please fax, mail/courier or email us an Adobe PDF file or scanned JPEG image to:

ARRL VEC Open-Book Review

ARRL VEC Office -- Accreditations
225 Main Street
Newington, CT 06111
Email: VEC@arrl.org / Fax: 860-594-0339

You, as a prospective ARRL VEC Volunteer Examiner, are expected to read and thoroughly understand the *ARRL VEC Volunteer Examiner Manual*, on which this review is based. Complete this Open-Book Review as soon as possible and return it to the ARRL VEC for processing. We strongly recommend that you keep a copy of your completed review for your records.

This review is not a test. It is simply a review that covers the material in the *ARRL VEC Volunteer Examiner Manual*. Nevertheless, it is an important part of the accreditation process, the concept of which is not shared by other VECs. Your having successfully completed this Open-Book Review certifies to us and the FCC that your training in the ARRL VEC program is concluded and that you are prepared to serve as a Volunteer Examiner with the thousands of others who share your enthusiasm. Remember, though, that you may not serve as an ARRL VEC accredited Volunteer Examiner until we have reviewed your application (and its attachments) and formally approve your accreditation. Our approval is reported to you when you receive your ARRL VEC accreditation credentials in the mail or by email.

Please allow three weeks for the ARRL VEC staff to grade your Open-Book Review and process your VE credentials.

When completing this Open-Book Review, you may work alone or with others in researching the answers to the questions. However, please remember that all ARRL VEC accredited Volunteer Examiners will be individually responsible for understanding and abiding by the regulations and procedures as presented in this edition. To ensure this, each of you must return an individually completed review. Good luck, and thanks for working with the ARRL VEC.
